2. Rules Summary; Operating Regulations; General Services Addendum.

Merchant acknowledges receipt and review of the Rules Summary, which are incorporated into this Agreement by reference. Merchant agrees to fully comply with all of the terms and obligations in the then current Rules Summary, as changed or updated by Processor from time to time, at Processor's sole reasonable discretion with notice in accordance with the Service Delivery Process. The Rules Summary is a summary of key Operating Regulations that govern this Agreement. In the event there is a change in the Rules Summary by Processor that is not related to or based on a corresponding Association rule or requirement, such provision will not be binding on Merchant. Merchant agrees to participate in the Associations in compliance with, and subject to, the Operating Regulations. Without limiting the foregoing, Merchant agrees that it will fully comply with any and all confidentiality and security requirements of the USA Patriot Act (or similar law, rule or regulation), VISA, MasterCard, Discover, and/or Other Networks, including but not limited to PCI, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, the American Express Data Security Requirements (DSR), and any other program or requirement that may be published and/or mandated by the Associations. Should any Operating Regulation(s) not be publicly available or otherwise made available to the Merchant, such unavailability shall not alter or limit Merchant's obligation to comply with the Operating Regulations. Notwithstanding Processor's assistance in understanding the Operating Regulations, Merchant expressly acknowledges and agrees that it is assuming the risk of compliance with all provisions of the Operating Regulations, regardless of whether Merchant has possession of those provisions. Both MasterCard and VISA make excerpts of their respective Operating Regulations available on their internet sites. Merchant acknowledges responsibility for any liability resulting from its decision not to participate in optional Association programs, including but not limited to any increased Data Incident liability resulting from its decision not to participate in an Association EMV program. In the event Merchant chooses to participate in an optional Association program, including but not limited to an EMV program, Merchant acknowledges and agrees that it shall be responsible for (i) ensuring compliance with any applicable program requirements and/or Operating Regulations applicable to such program, including but not limited to making any updates to its point of sale equipment and (ii) any cost associated with

its participation in the applicable program, including any costs assessed to Merchant by Processor. Other Services applicable to this Agreement will be contained in the General Services Addendum as may be published and modified from time to time by Processor and the parties agree that such Addendum shall be incorporated into and made part of this Agreement and that such Addendum shall apply only with respect to those Services actually provided by Processor and received by Merchant hereunder. Merchant acknowledges receipt and review of the General Services Addendum. In the event of a conflict between the fees set forth on the Merchant Price Schedule and the General Services Addendum, the Merchant Price Schedule shall control.

3. Application: Change in Business. Merchant represents that all information supplied by Merchant in connection with its application or other request for services is complete and accurate. In accordance with Section 326 of the USA Patriot Act, Processor is required to review and record information from the documents used in identifying new merchant customers. The preceding sentence is intended to inform Merchant of Processor's procedures and of Processor's responsibility under the USA Patriot Act. Merchant agrees to provide Processor with 30 days prior written notice of Merchant's intent to change its business form or entity in any manner (e.g. a change from a limited liability company to a corporation), and/or of Merchant's intent to sell its stock or assets to another entity.

4. Card Acceptance. Merchant must accept all Cards and complete all Card transactions in accordance with the Operating Regulations. In the event Processor for whatever reason is unable to obtain, or due to system delays chooses not to wait to obtain, authorization from an Association, Processor may at its option "stand-in" for such entities and authorize the sales transaction based on criteria established by Processor, and Merchant remains responsible for such sales transaction in accordance with this Agreement. Merchant has identified to Processor the products and/or services for which it intends to accept Cards as payment. Merchant agrees that it shall only complete and deliver to Processor sales transactions produced as the direct result of bona fide sales made by Merchant to Cardholders for such identified products and/or services, unless otherwise agreed by Processor in writing.

5. Transaction Processing. Processor or Member Bank will initiate payment to Merchant of the total face amount of each sales transaction acquired and accepted hereunder, subject to the terms and conditions of this Agreement, the Operating Regulations, and applicable law, after Processor receives payment for such sales transactions. Unless otherwise agreed to in writing by Processor, Merchant shall electronically deliver to Processor and in a format acceptable to Processor all credit vouchers and sales transaction records within two (2) business days after the applicable transaction date (or such shorter period as determined by the applicable Association), except (i) in the case of a delayed merchandise delivery, when the sales transaction record shall be delivered within two (2) business days of the merchandise delivery or (ii) as specified otherwise in the Operating Regulations. Merchant agrees that it shall deliver sales transaction records to Processor at least every business day. The preparation and delivery to Processor by Merchant of sales transactions shall constitute an endorsement to Processor by Merchant of each sales transaction, and Merchant authorizes Processor or its representative to place Merchant's endorsement on any sales transaction at any time. Processor may refuse to acquire any sales transaction or claim the amount of which, in whole or in part, it could charge back to the Merchant pursuant to this Agreement, if it had acquired the sales transaction or claim. Merchant acknowledges and agrees that Processor is not responsible for any action or inaction taken by the financial institution or other entity that issued the Card(s) to the Cardholder or the processor of such Card(s). Merchant agrees that Processor may set off any amounts due to Processor from amounts owed to Merchant, including but not limited to any amounts owed to Merchant from Processor and/or any of its affiliate(s).

6. Exception Items. Merchant agrees to reacquire and pay Processor the amount of any sales transaction, and Processor shall have the right at any time to charge Merchant's Account therefore with notice via Processor's Service Delivery Process, for any return, chargeback, compliance case, any other Association action, or if the extension of credit for merchandise sold or services or sales transactions performed was in violation of law or the rules or regulations of any governmental agency, federal, state, local or otherwise; or if Processor has not received payment for any sales transaction,

notwithstanding Processor's prior payment to Merchant for such sales transaction pursuant to Section 5 above or any other section. Not limiting the generality of the foregoing, Merchant agrees that any operational and/or other Services performed on behalf of Merchant, including but not limited to, production of facsimile drafts in response to copy requests, response to compliance cases, augmentation of Merchant data for interchange, transaction stand-in, digital draft storage and retrieval, etc. shall in no way affect Merchant's obligations and liability in this Agreement including those in the foregoing sentence. Merchant may instruct Processor in the defense of chargebacks, compliance cases and similar actions, and Merchant agrees that it will promptly provide any such instructions to Processor. When Processor has determined it has all necessary information and instructions, Merchant hereby authorizes Processor to resolve chargebacks and respond to retrieval requests and other inquiries without further consulting Merchant.

7. Merchant Suppliers. Merchant may use one or more Merchant Suppliers in connection with the Services and/or the processing of some or all of its Card transactions. In no event shall Merchant use a Merchant Supplier unless such Merchant Supplier is compliant with PCI and/or the Payment Application Data Security Standard ("PA-DSS"), depending on the type of Merchant Supplier, as required by the Operating Regulations. Merchant acknowledges and agrees that Merchant shall cause its Merchant Supplier to complete any steps or certifications required by any Association (e.g., registrations, PA-DSS, PCI, audits, etc.). Merchant shall cause its Merchant Supplier to cooperate with Processor in completing any such steps or certifications (if applicable), and in performing any necessary due diligence on such Merchant Supplier. Merchant shall be solely responsible for any and all applicable fees, costs, expenses and liabilities associated with such steps, registrations, and certifications. Merchant shall bear all risk and responsibility for conducting Merchant's own due diligence regarding the fitness of any Merchant Supplier(s) for a particular purpose and for determining the extent of such Merchant Supplier's compliance with the Operating Regulations and applicable law. Merchant expressly agrees that Processor shall in no event be liable to Merchant or any third party for any actions or inactions of any Merchant Supplier used by Merchant, even if Processor introduced and/or recommended the use of such Merchant Supplier to Merchant, or never objected to the use of such Merchant Supplier.

8. Cardholder Information. Merchant shall not disclose, sell, purchase, provide, or exchange Cardholder name, address, account number or other information to any third party other than to Processor or an Association for the purpose of completing a sales transaction unless specifically permitted by the Operating Regulations. Merchant represents and warrants that neither it nor its Merchant Supplier shall retain or store any portion of the magnetic-stripe data subsequent to the authorization of a sales transaction, nor any other data prohibited by the Operating Regulations and/or this Agreement.

Processor acknowledges responsibility for payment card data on its proprietary systems. Processor will (i) maintain its PCI-DSS certification and (ii) be validated as a PCI-DSS compliant service provider. In the event Processor is deemed not to be in compliance with PCI-DSS, Processor shall make commercially reasonable efforts to become compliant and maintain compliance thereafter. As of the execution of the Agreement, PCI-DSS information and standards can be found at the Payment Card Industry Security Council website at <https://www.pcisecuritystandards.org/index.htm>.

9. Term. The term of this Agreement shall commence the date Processor executes this Agreement, and shall continue for the Initial Term as defined in Section 1 of this Agreement. Except as hereafter provided, unless either party gives written notice to the other party at least 60 days prior to the expiration of any term, the Agreement including all addenda, schedules and exhibits hereto or referencing this Agreement shall be automatically extended on a calendar month to calendar month basis. All obligations of Merchant incurred or existing under this Agreement as of the date of termination, shall survive such termination.

10. Processor Fees. Merchant agrees to pay Processor the fees, expenses and all other amounts set forth in the Agreement including, but not limited to, the Merchant Price Schedule. Processor may charge or add fees and/or charges upon notice to Merchant via Processor's Service Delivery Process, and such fees and/or charges shall be immediately payable by Merchant when assessed by Processor. In the

event Processor changes or adds its fees and/or charges pursuant to the immediately preceding sentence ("Fee Change"), Merchant may, subject to the following provisions, terminate the Agreement upon 60 days advance written notice to Processor provided Processor receives such written notice from Merchant of its intention to so terminate within 90 days of the date the Fee Change becomes effective. Upon Processor's receipt of Merchant's written notice pursuant to the immediately preceding sentence, Processor shall have 30 days to rescind or waive the Fee Change, and, in the event Processor elects to rescind or waive the Fee Change, Merchant shall not have the right to terminate this Agreement as a result of the Fee Change and this Agreement shall remain in full force and effect notwithstanding Merchant's written notice to terminate. Merchant acknowledges and agrees that this Section shall not be intended or construed to permit Merchant to terminate the Agreement as a result of a change or increase in fees from third parties and/or in pass through fees as referenced in this Agreement or the Merchant Price Schedule. At Merchant's request, Processor may, in its sole discretion, establish multiple Merchant billing definitions on its system, and in such event Processor shall assess all applicable fees separately and independently with respect to each such billing definition.

11. Third Party Assessments. Notwithstanding any other provision of this Agreement and except to the extent arising out of Processor's gross negligence or willful misconduct, Merchant shall be responsible for all amounts imposed or assessed to Merchant, Processor, and/or Member Bank in connection with this agreement by Member Bank and/or third parties such as, but not limited to, Associations and Merchant Suppliers (including telecommunication companies. Such amounts include, but are not limited to, fees, fines, assessments, sponsorship fees, penalties, loss allocations, etc. Any changes or increases in such amounts shall automatically become effective upon notice to Merchant via Processor's Service Delivery Process and shall be immediately payable by Merchant when assessed by Processor. In the event of a Float Event, Processor reserves the right to assess to Merchant, and Merchant shall pay to Processor, a cost of funds associated with the Float Event (which Processor may at its option assess as a transaction surcharge), the amount of which shall be determined by Processor in its reasonable discretion, and which may be changed by Processor from time to time, and such cost of funds shall be effective as of the start of the Float Event and shall be immediately payable by Merchant when assessed by Processor.

12. Exclusivity. Processor and Member Bank reserve the right to enter into other agreements pertaining to the Services with others including without limitation other merchants. The parties agree that Processor shall be the exclusive provider of the Services to Merchant at all of its locations; provided, however, that Merchant reserves the right to enter into other agreements pertaining to the Services with others for items not directly related to ambulance billing services.

13. Default. The following events shall be considered an "Event of Default":

- (i) Merchant becomes subject to any voluntary or involuntary bankruptcy, insolvency, reorganization or liquidation proceeding, a receiver is appointed for Merchant, or Merchant makes an assignment for the benefit of creditors, or admits its inability to pay its debts as they become due; or
- (ii) Merchant fails to pay or reimburse the fees, expenses or charges referenced herein when they become due; or
- (iii) Merchant is in default of any terms or conditions of this Agreement whether by reason of its own action or inaction or that of another; or
- (iv) Processor reasonably believes that there has been a material deterioration in Merchant's financial condition; or
- (v) any standby letter of credit, if and as may be required pursuant to Section 20, will be cancelled, will not be renewed, or is not in full force and effect; or
- (vi) Merchant ceases to do business as a going concern, or there is a change in ownership of Merchant which changes the identity of any person or entity having, directly or indirectly, more than 30% of either the legal or beneficial ownership of Merchant.

Upon the occurrence of an Event of Default, Processor may at any time thereafter terminate this Agreement by giving Merchant written notice thereof. However, except in instances where immediate termination is required by any Association or if Member Bank and/or Processor reasonably believe that the Event of Default poses material risk to either of them or involves a violation of applicable law, Merchant will have 30 days following Processor's notice to cure an Event of Default under

Section (ii), (iii), (iv) or (v) prior to termination under this section. Termination of Merchant for any reason shall not relieve Merchant from any liability or obligation to Processor. If, prior to the date on which the then current term of this Agreement is scheduled to expire, either this Agreement is terminated by Processor as specifically permitted by this Agreement, or Merchant for any reason discontinues receiving the Services from Processor (except as may be specifically permitted by this Agreement), Merchant shall be liable to Processor for liquidated damages in an amount equal to the average monthly revenue (which does not include interchange and other Association fees) payable to Processor as a result of this Agreement for the three calendar months in which such revenue was the highest during the preceding 12 calendar months, or such shorter period if this Agreement has not been in effect for 12 months, multiplied by the number of months remaining during the then current term of this Agreement. Merchant recognizes and agrees that the liquidated damages are fair and reasonable because it is not possible to establish the actual increase in volume and activity by Merchant during the term of this Agreement. Merchant shall also reimburse Processor for any damage, loss or expense incurred by Processor as a result of a breach by Merchant, including any damages set forth in any addendum and/or schedule and/or exhibit hereto and including all past due, unpaid and/or future invoices for services rendered by Processor in connection with this Agreement. All such amounts shall be due and payable by Merchant upon demand. Processor shall also have the option to require Merchant to reacquire all outstanding sales transactions acquired by Processor hereunder. In addition to, and not in limitation of the foregoing, Processor may refuse to provide the Services in the event it has not been paid for the Services as provided herein.

14. Processor Nonperformance: In the event Merchant, in good faith, reasonably believes that Processor has substantially failed to provide the Services, other than as a result of (i) a failure by Merchant (or any Merchant Supplier, or other third party acting at the request of or on behalf of Merchant) to perform any obligation under the Agreement, or to provide accurate data to Processor upon which Processor is dependent to provide accurate and timely Services to Merchant, or (ii) any Force Majeure Event, Merchant agrees to notify Processor in writing within 30 days of the date upon which such failure first occurred. Merchant agrees that such notice shall be sent in accordance with the terms of this Agreement, and shall specifically describe the nature of such failure by Processor, specify the date such failure first occurred and specifically reference this section.

Processor will attempt to resolve such failure within 30 days of Processor's actual receipt of such notice from Merchant. Should Processor not resolve such failure within the cure period described in the foregoing sentence, Merchant may terminate this Agreement upon 90 days prior written notice to Processor, provided Processor actually receives such notice of termination within 30 days after the end of such cure period.

15. Taxes. Merchant represents and warrants that it is a governmental agency and is not directly subject to sales, use, excise, or other taxes. If, during the term of this Agreement, Merchant becomes directly subject to sales, use, excise, and/or other taxes, Merchant will notify Processor of this fact immediately.

16. Binding on Successors; Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, administrators, successors, transferees and assignees. Neither this Agreement nor any interest herein may directly or indirectly be transferred or assigned by Merchant, in whole or in part, without the prior written consent of Processor, which will not be unreasonably delayed or withheld. Merchant will remain liable for any amounts owed under this Agreement after an unauthorized transfer or assignment by Merchant, even if Processor continues to provide Services to such transferee or assignee. This Agreement is for the benefit of, and may be enforced only by, Processor and Merchant and their respective successors and permitted transferees and assignees, and is not for the benefit of, and may not be enforced by, any third party.

17. Notices. All notices, requests, demands and other communications to be delivered hereunder unless specified otherwise herein shall be in writing and shall be delivered by nationally recognized overnight carrier, registered or certified mail, postage prepaid, to the following addresses:

(i) if to Processor: Vantiv, LLC, 8500 Governors Hill Drive, Mail Drop 1GH1Y1, Symmes Township, OH 45249-1384, Attention: General Counsel/Legal Department;

(ii) if to Merchant: County Administrator, P.O. Drawer 70, Dinwiddie, VA 23841.

Notices, etc., so delivered shall be deemed given upon receipt.

18. Unenforceable Provision. If any term or provision of this Agreement or any application thereof shall be invalid or unenforceable, the remainder of this Agreement and any other application of such term or provision shall not be affected thereby.

19. Payment. Merchant shall always maintain an open Account. Merchant irrevocably authorizes Processor to debit and/or credit the Account to settle any and all fees and other amounts due Processor under this Agreement, and such authority shall remain in effect for a period of six (6) calendar months following the date of termination of this Agreement, regardless of whether Merchant has notified Processor of an Account Change as defined below. Merchant shall always maintain the Account with sufficient cleared funds to meet its obligations under this Agreement. In the event Merchant desires an Account Change, Merchant shall give Processor 30 days prior written notice in accordance with the provisions of Section 17 of any such change, and Processor shall use reasonable commercial efforts to effect such Account Change; however, such Account Change shall not be effective until the date on which Processor actually makes such Account Change on Processor's system. In no event shall Processor have any liability for any amounts directed to an Account that has been designated by any purported representative of Merchant or its Merchant Supplier at any time during the term of this Agreement, regardless of any Account Change. All amounts due Processor under this Agreement shall be paid without set-off or deduction, and shall be due from Merchant as of the date Processor originates an ACH debit transaction record to Merchant's Account. Any fees not collected from Merchant by Processor when due shall bear interest at one (1) percentage point per month but in no event more than the highest rate permitted by law. The acceptance by Processor, Processor's affiliate or other financial institution of Merchant's closing (or termination of) its Account shall not constitute a mutually agreed upon termination of this Agreement. Without limiting the generality of any other provision of this Agreement, Processor and/or Member Bank are hereby authorized by Merchant to charge amounts due under this Agreement i) against each day's sales transactions ii) against any reserve; or iii) by making an ACH debit to Merchant's Account.

20. Reserve.

To the extent allowed by state law and as a specifically bargained for inducement for Processor to enter into this Agreement with Merchant, Processor at its option reserves the right for a reasonable cause to establish from amounts payable to Merchant hereunder, and/or cause Merchant to pay to Processor, a reserve of funds reasonably satisfactory to Processor to cover actual or anticipated fees, liabilities, chargebacks, returns and any other applicable assessments incurred or expected to be incurred by Processor or Member Bank related to the Services provided to Merchant. In the event Merchant fails to establish, for any reason whatsoever, a reserve as required above, Processor shall have all of the rights and remedies available to Processor in this Agreement, including but not limited to exercising the rights and remedies of Processor in Section 13. In the event Processor exercises its right to establish a reserve pursuant to this Section, Merchant may, subject to the following provisions, terminate the Agreement upon 30 days advance written notice to Processor provided Processor receives such written notice from Merchant of its intention to so terminate within 90 days of the date on which Processor establishes the reserve or requires the letter of credit. Upon Processor's receipt of Merchant's written notice pursuant to the immediately preceding sentence, Processor may, at its option, return the reserve to Merchant and, in the event Processor elects to return the reserve to Merchant, Merchant shall not have the right to terminate this Agreement pursuant to this Section and this Agreement shall remain in full force and effect notwithstanding Merchant's written notice to terminate.

Merchant shall not sell, assign, transfer or encumber all or any part of its interest in the reserve account, if any, or any present or future rights under this Agreement, including but not limited to, Merchant's right to receive any payments or funds. Neither Processor nor Member Bank shall be obligated to honor any such purported attempt to sell, assign,

transfer or encumber such interest, rights, payments or funds unless both Processor and Member Bank consent in writing. In the event Merchant breaches this paragraph, then, in addition to any other rights and remedies Processor may have under this Agreement and otherwise, Processor shall have the right, at its option, to withhold any or all funds or payments which would otherwise be payable to Merchant under this Agreement until it shall have received instructions concerning the disposition of such payments or funds, satisfactory in form and substance to Processor and signed by both Merchant and any purported assignee. To the extent permitted by applicable law, Merchant shall indemnify Processor and hold it harmless from and against any and all claims, liabilities and damages which may be asserted against Processor by any purported assignee or any other person arising out of Merchant's purported sale, assignment, transfer or encumbrance of all or any of Merchant's present or future rights under this Agreement.

21. Indemnification.

A. Subject to the other limitations, terms and conditions of this Agreement, Processor shall indemnify, defend, and hold harmless Merchant, and its directors, officers, employees, affiliates and agents from and against all third party proceedings, claims, losses, damages, demands, liabilities and expenses whatsoever, including all reasonable legal and accounting fees and expenses and all reasonable collection costs, incurred by Merchant, its directors, officers, employees, affiliates and agents to the extent resulting from or arising out of Processor's gross negligence, or willful misconduct.

B. To the extent allowed by state law, Merchant shall indemnify, defend, and hold harmless Processor, and its directors, officers, employees, affiliates and agents from and against all proceedings, claims, losses, damages, demands, liabilities and expenses whatsoever, including all reasonable legal and accounting fees and expenses and all reasonable collection costs, incurred by Processor, its directors, officers, employees, affiliates and agents resulting from or arising out of the Services in this Agreement, Merchant's processing activities, the business of Merchant or its customers, any sales transaction acquired by Processor, any noncompliance with the Operating Regulations (or any rules or regulations promulgated by or in conjunction with the Associations) by Merchant or its agent (including any Merchant Supplier), any Data Incident, any infiltration, hack, breach, or violation of the processing system of Merchant, its Merchant Supplier, or any other third party processor or system, or by reason of any breach or nonperformance of any provision of this Agreement on the part of the Merchant, or its employees, agents, Merchant Suppliers, or customers.

C. The indemnification provisions of each party (to the extent applicable) shall survive the termination of the Agreement. The indemnified party shall (i) provide prompt written notice of any claim to the indemnifying party; (ii) cooperate with all reasonable requests of the indemnifying party; and (iii) surrender exclusive control of the defense and settlement of any third party claim to the indemnifying party provided that the indemnifying party will obtain the indemnified party's written consent prior to agreeing to any settlement or agreement that requires the indemnified party to make any admission of fault or to pay any amounts in connection with such settlement or agreement that are not fully paid for by the indemnifying party. The indemnified party shall not unreasonably withhold or delay any consent required under this Section. The indemnified party may elect to participate in the action with an attorney of its own choice at its own expense.

22. Review of Settlement Activity and Reports; Notice of Failure by Processor.

Merchant agrees that it shall review all reports, notices, and invoices prepared by Processor or its agent and made available to Merchant, including but not limited to reports, notices, and invoices provided via Processor's online reporting tool. Processor reserves the right to send some or all of the reports and/or invoices and/or notices of any pricing changes permitted under this Agreement via communication methods utilized as components of its Service Delivery Process which method Processor may change from time to time with notice via Processor's Service Delivery Process. Merchant expressly agrees that Merchant's failure to notify Processor that Merchant has not received any settlement funds within five business days from the date that settlement was due to occur, or fails to reject any report, notice, or invoice within thirty business days from the date the report or invoice is made available to Merchant, shall constitute Merchant's acceptance of

the same. In the event Merchant believes that Processor has failed in any way to provide the Services, Merchant agrees to provide Processor with written notice, specifically detailing any alleged failure, within 30 days of the date on which the alleged failure first occurred.

23. Choice of Law; Jurisdiction; Venue. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the Commonwealth of Virginia without regard to conflicts of law provisions. The parties hereby consent and submit to service of process, personal jurisdiction, and venue in the Circuit Court of Dinwiddie County, Virginia, and select such court as the exclusive forum with respect to any action or proceeding arising out of or in any way relating to this Agreement, and/or pertaining in any way to the relationship between Merchant and Processor. MERCHANT AND PROCESSOR HEREBY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY MATTER UNDER, RELATED TO, OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTIONS OR RELATIONSHIPS CONTEMPLATED HEREBY.

24. Limit of Liability; Force Majeure.

A. EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, PROCESSOR DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. MERCHANT HEREBY ACKNOWLEDGES THAT THERE ARE RISKS ASSOCIATED WITH THE ACCEPTANCE OF CARDS AND MERCHANT HEREBY ASSUMES ALL SUCH RISKS EXCEPT AS MAY BE EXPRESSLY SET FORTH HEREIN.

B. Without limiting the foregoing, neither party shall be liable for lost profits, lost business or any incidental, special, consequential or punitive damages (whether or not arising out of circumstances known or foreseeable by the other party) suffered by such party, its customers, or any third party in connection with the Services provided hereunder. However, nothing in the foregoing sentence is in any way intended, and shall not be construed, to limit (i) Merchant's obligation to pay any fees, assessments or penalties due under this Agreement, including but not limited to those imposed by telecommunications services providers, VISA, MasterCard and/or Other Networks; or (ii) any damages due from Merchant related to an early termination of this Agreement; or (iii) any damages due from Merchant related to the failure by Merchant to exclusively receive the Services from Processor to the extent required by the Agreement, and/or (iv) (to the extent applicable) Merchant's obligation to indemnify pursuant to section 21. In no event shall Processor be liable for any damages or losses (i) that are wholly or partially caused by the Merchant, or its employees, agents, or Merchant Suppliers that should have been reported to Processor pursuant to Section 22, (ii) that first occurred, whether or not discovered by Merchant, more than 30 days prior to Processor's receipt of written notice from Merchant or (iii) that were caused due to errors in data provided by Merchant to Processor.

C. Processor's liability related to or arising out of this Agreement shall in no event exceed an amount equal to the lesser of (i) actual monetary damages incurred by Merchant or (ii) fees paid to and retained by Processor for the particular Services in question for the three calendar months immediately preceding the date on which Processor received a written notice from Merchant detailing Processor's material nonperformance under this Agreement. For avoidance of doubt, the cap on Processor's liability set forth in the immediately preceding sentence will not limit Processor's obligation to settle funds due to Merchant under this Agreement.

D. Processor shall not be deemed to be in default under this Agreement or liable for any delay or loss in the performance, failure to perform, or interruption of any Services to the extent resulting from a Force Majeure Event. Upon such an occurrence, performance by Processor shall be excused until the cause for the delay has been removed and the Processor has had a reasonable time to again provide the Services. No cause of action, regardless of form, shall be brought by either party more than 1 year after the cause of action arose, other than one for the nonpayment of fees and amounts due Processor under this Agreement. Any restriction on Processor's liability under this Agreement shall apply in the same manner to Member Bank. In the event that Merchant has a claim against Member Bank in connection with the Services provided under this Agreement, Merchant shall proceed against Processor (subject to the limitations and restrictions herein), and not against Member Bank, unless otherwise specifically required by the Operating Regulations.

E. Processor and Merchant recognize and agree that any limitations of liability set forth in this Agreement are fair and reasonable.

25. Controlling Documents. This Agreement (including all addenda and schedules and exhibits hereto and all documents and materials referenced herein) supersedes any and all other agreements, oral or written, between the parties hereto with respect to the subject matter hereof, and sets forth the complete and exclusive agreement between the parties with respect to the Services and, unless specifically provided for herein, other services are not included as part of this Agreement. If there is a conflict between the Bank Card Merchant Agreement and an addendum or schedule or exhibit hereto, the addendum or schedule or exhibit shall control. If there is a conflict between the Rules Summary and this Agreement, the Rules Summary shall control. If there is a conflict between Operating Regulations and this Agreement, the Operating Regulations shall control. If there is a conflict between the Operating Regulations and the Rules Summary, the Operating Regulations shall control. Notwithstanding any provision of this Agreement or any related document to the contrary, no indemnification provision shall bind the Customer beyond the extent permitted by applicable law.

26. Regulatory Remedial Right. Processor may suspend or cease providing any Service in this Agreement if: (i) in Processor's reasonable opinion, such Service, or the business of Merchant, violates or would violate the Operating Regulations, or any federal, state or local statute or ordinance, or any regulation, order or directive of any governmental agency or court; (ii) Merchant is accused by any federal, state or local jurisdiction of a violation of any applicable statute or ordinance or any regulation, order or directive of any governmental agency or court, or if Processor reasonably believes, based upon the opinion of its legal counsel, that Merchant may be in violation of any of the foregoing; and/or (iii) in Processor's reasonable opinion, Merchant's activities may result in increased regulatory scrutiny or reputational harm. Processor may also suspend or cease providing any Service in this Agreement to Merchant if directed to do so by Member Bank. Should Merchant not process sales transactions through Processor's system for a period of one year or more, Processor may remove Merchant from Processor's systems without notice, without relieving Merchant from any of Merchant's obligations under this Agreement.

27. Conversion; Deconversion. Merchant shall take all necessary steps to, and shall, promptly convert to Processor's system for the Services in this Agreement not later than 90 days after the execution of this Agreement by Processor. Processor agrees that it shall not charge Merchant for Processor's standard and customary internal testing and conversion preparation only, in connection with Merchant's initial conversion to Processor's system at the commencement of this Agreement, and as determined by Processor in its sole reasonable discretion. The foregoing shall not be deemed to limit Merchant's obligation to pay any third party fees and expenses incurred by Processor in connection with Merchant's conversion, which shall remain the sole responsibility of Merchant. Merchant agrees to be responsible for all direct and indirect costs (including but not limited to those incurred by Processor, its affiliates and/or agents) in connection with and/or related to Merchant's conversion from Processor at the termination of this Agreement and/or related to any conversion or programming effort affecting the Services after Merchant's initial conversion to Processor.

28. Confidential Information.

(a) Confidential Information Supplied by Processor. Merchant acknowledges that Processor will be providing Merchant with certain confidential information, including but not limited to, third party audit reports, and information relating to the finances, systems, methods, techniques, programs, devices and operations of Processor and/or the Associations. Subject to any limitations of applicable law, including but not limited to the Virginia Freedom of Information Act, Merchant shall not disclose any such confidential information to any person or entity (other than to those employees and Merchant Suppliers of Merchant who participate directly in the performance of this Agreement and need access to such information). Without limiting the foregoing, Merchant agrees that it will fully comply with any and all confidentiality and security requirements of the USA Patriot Act (or similar law, rule or regulation), VISA, MasterCard, Discover, and/or Other Networks.

(b) Confidential Information Supplied by Merchant. Processor acknowledges that Merchant will be providing Processor with certain confidential information, including information relating to the methods,

techniques, programs, devices and operations of Merchant. Such confidential information does not include transaction information which has been de-identified or aggregated. Processor will not disclose confidential and proprietary information about Merchant to any person or entity (other than to those employees and agents of Processor who participate directly in the performance of this Agreement and need access to such information). Merchant acknowledges receipt of Processor's privacy notice ("Privacy Notice"). Merchant should direct any questions or requests for another copy of the Privacy Notice to a Processor customer service representative or Merchant's primary relationship manager, if applicable. Notwithstanding anything to the contrary in the Privacy Notice or this Agreement, Processor may use, disclose, share, and retain any information provided by Merchant and/or arising out of the Services, during the term and thereafter: (a) in response to subpoenas, warrants, court orders or other legal processes; (b) in response to requests from law enforcement agencies or government entities; (c) to comply with applicable laws, regulations, or Operating Regulations; (d) with Processor's affiliates, partners and agents; (e) to perform analytic services for Merchant, Processor and/or others including but not limited to analyzing, tracking, and comparing transaction and other data to develop and provide insights for such parties as well as for developing, marketing, maintaining and/or improving Processor's products and services; and/or (f) to offer or provide the Services hereunder.

(c) **Miscellaneous.** The parties acknowledge that the injury that would be sustained by the party disclosing information as a result of the violation of this Section 28 cannot be compensated solely by money damages, and therefore agrees that the disclosing party shall be entitled to seek injunctive relief and any other remedies as may be available at law or in equity in the event of a violation of the provisions contained in this Section 28. The restrictions contained in this Section 28 shall not apply to any information which becomes a matter of public knowledge, other than through a violation of this Agreement or other agreements between the parties.

(d) **Publicity.** If requested by the Processor, Merchant and Processor agree that they will work together to issue a mutually agreeable joint press release after the execution of this agreement and/or after the conversion of Merchant to Processor's Services. In any event, Merchant acknowledges and agrees that Processor may make public the execution of this Agreement by Merchant and/or any of Merchant's affiliates, and/or the Services that may be or have been provided under the Agreement. Merchant agrees that Processor may include Merchant's name on a list of Processor's customers, which may be made public. Merchant agrees that, upon Processor's request, Merchant will provide testimonial information related to the Services received by Merchant hereunder.

29. Financial Statements. If at any time Merchant's financial information is not publicly available, Merchant shall provide Processor with an audited financial statement for Merchant's most recent fiscal year end and/or quarterly financial statements prepared and certified by Merchant's chief financial officer within 15 days of Processor's request therefore.

30. No Waiver. If either party waives in writing an unsatisfied condition, representation, warranty, undertaking or agreement (or portion thereof) set forth herein, the waiving party shall thereafter be barred from recovering, and thereafter shall not seek to recover, any damages, claims, losses, liabilities or expenses, including, without limitation, legal and other expenses, from the other party in respect of the matter or matters so waived. Except as otherwise specifically provided for in this Agreement, the failure of any party to promptly enforce its rights herein shall not be construed to be a waiver of such rights unless agreed to in writing. Any rights and remedies specifically provided for in any addendum or schedule or exhibit are in addition to those rights and remedies set forth in this Agreement and/or available to Processor at law or in equity.

31. Compliance with Law.

Merchant represents and warrants to Processor that it will comply with all applicable federal, state and local laws and regulations in connection with Merchant's receipt of the Services and/or applicable to Merchant's business operations. Processor will comply with federal, state and local laws and regulations applicable directly to Processor in its provision of the Services.

32. Security, Data Incidents. Merchant will be solely responsible for the security, quality, accuracy, and adequacy of all transactions and information supplied hereunder, and will establish and maintain

adequate audit controls to monitor the security, quality, maintenance, and delivery of such data. Without limiting the generality of the foregoing, Merchant represents and warrants to Processor that it has implemented and will maintain secure systems for maintaining and processing information and for transmitting information to Processor. Processor shall have no liability whatsoever for the security or availability of any communications connection used in connection with the Services provided hereunder. Merchant acknowledges that Processor is responsible only for the security of its own proprietary systems, and not for the systems of any third party, including without limitation any Merchant Supplier of Merchant. Merchant shall notify Processor immediately if Merchant becomes aware of or suspects a Data Incident. Merchant agrees to fully cooperate with Processor and any Association with respect to any investigation and/or additional requirements related to a suspected Data Incident.

33. Audits. At any reasonable time upon reasonable notice to Merchant, Merchant shall allow auditors, including the auditors of any Association or any third party designated by Processor or the applicable Association, to review the files held and the procedures followed by Merchant at any or all of Merchant's offices or places of business. Should Processor conduct an audit which is not required by the Operating Regulations or is not requested by an Association, such audit will be at Processor's sole expense; otherwise any reasonably requested audit shall be at Merchant's expense. Merchant will assist such auditors as may be necessary for them to complete their audit. In the event that a third-party audit is requested by an Association, and/or required by the Operating Regulations, Processor may, at its option, and at Merchant's sole expense, either retain a third party to perform the audit, or require that Merchant directly retain a specific third party auditor. If Processor requires that Merchant directly retain the auditor, Merchant shall arrange immediately for such audit to be performed, and will provide Processor and the Associations with a copy of any final audit report.

34. System Requirements and Upgrades. Merchant agrees that the Services shall be provided in accordance with Processor's then current systems, standards and procedures and that Processor shall not be required to perform any special programming, to provide any special hardware or software or to implement any other system, program or procedure for Merchant. Unless otherwise agreed in writing by Processor, all sales transaction, settlement and other data and information used in connection with the Services shall be provided to Processor in Processor's then current data formats and by means of Processor's then current telecommunications configurations and protocols. Processor may make changes in the Services based upon, but not limited to, technological developments, legislative or regulatory changes, or the introduction of new services by Processor. Merchant shall comply with all time deadlines, equipment and software maintenance and upgrading requirements to the extent required by the Associations and/or Operating Regulations. Merchant shall use best efforts to comply with all other time deadlines, equipment and software maintenance and upgrading requirements which Processor may reasonably impose on Merchant from time to time.

35. Title to the Services. Merchant agrees it is acquiring only a nontransferable, non-exclusive right to use the Services. Processor shall at all times retain exclusive title to the Services, including without limitation, any materials delivered to Merchant hereunder and any invention, development, product, trade name, trademark, service mark, software program, or derivative thereof, developed in connection with providing the Services or during the term of this Agreement.

36. Limited Acceptance. If so indicated below, Merchant acknowledges and agrees that it wishes to be a Limited Acceptance merchant, which means that Merchant has elected to accept only certain VISA/MasterCard card types as indicated below, or via later notification. Merchant further acknowledges and agrees that Processor has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance and that Processor's obligations do not include policing card types at the point of sale. As a Limited Acceptance Merchant, Merchant will be solely responsible for the implementation of its decision for Limited Acceptance. Merchant will be solely responsible for policing, at the point of sale, the card type(s) of transactions it submits for processing by Processor. Should Merchant submit a transaction for processing for a card type it has indicated it does not wish to accept, Processor may process that transaction and Merchant will pay the applicable fees, charges, and assessments associated with

that transaction. For Merchant's convenience, a general description of VISA/MasterCard card types are:

- a. Consumer Credit - a consumer credit card issued by a U.S. Issuer or a commercial credit card issued by a non-U.S. Issuer; this category does not include VISA or MasterCard branded signature-based debit cards.
- b. Consumer Debit - a VISA or MasterCard branded signature-based debit card (including certain stored-value and prepaid cards).
- c. Commercial - a VISA or MasterCard branded credit card issued by a U.S. Issuer that bears the descriptive term "Business Card", "Corporate Card", "Purchasing Card", "Fleet Card", or similar descriptive term indicated pursuant to the Operating Regulations.

Only if checked below, Merchant wishes to be a Limited Acceptance Merchant, which means that Merchant will accept only the VISA/MASTERCARD card types indicated below:

- VISA Credit Cards
- VISA Debit Cards (signature based)
- MasterCard Credit
- MasterCard Debit Cards (signature based)

37. Security Interest. This Agreement will constitute a security agreement under the Uniform Commercial Code. Merchant grants to Processor a security interest in all accounts owned or controlled by Vantiv at Member Bank that are funded with settlement amounts, including the Reserve Account, and the proceeds thereof (collectively, the "Secured Assets"), to secure all of Merchant's obligations under this Agreement. With respect to such security interest, Processor will have all rights afforded under the Uniform Commercial Code, any other applicable law, and in equity. In addition to the security interest in the Secured Assets, Processor shall have a contractual right of setoff against the Secured Assets.

Every such right of setoff shall be deemed to have been exercised immediately upon the occurrence of an Event of Default hereunder without any action by Processor or notation in the Processor's records, although Processor may enter such set off on its books and records at a later time. Merchant warrants and represents that no other person or entity has a security interest in the Secured Assets. If a bankruptcy proceeding is filed by or against Merchant under the Bankruptcy Code (whether the petition is filed voluntarily and/or involuntarily), it waives any applicable protection related to the automatic stay provisions of 11 U.S.C. §362 (or any replacement section) and consents to an appropriate reserve of funds being established between the parties pursuant to this Agreement or by Court Order.

38. Modification of Agreement. Except as provided in this Agreement, this Agreement including any addendum or schedule or exhibit hereto shall only be modified or amended by an instrument in writing signed by Merchant and Processor. Any changes, additions, stipulations or deletions, including lining out, by Merchant, except where indicated by a space to be filled in (e.g., the space for Merchant's name and address), shall not be deemed to be agreed to or binding upon Processor unless agreed to in writing in the form of an amendment signed by each party hereto. Merchant agrees that Processor may amend this Agreement upon notice to Merchant if such amendment is a requirement of applicable law or an Association.

39. Headings and Construction. The headings used in this Agreement are inserted for convenience only and will not affect the interpretation of any provision. Merchant and Processor each acknowledge that the limitations and exclusions contained in this Agreement have been the subject of active and complete negotiation between the parties and represent the parties' voluntary agreement. The parties agree that the terms and conditions of this Agreement shall not be construed in favor of or against any party by reason of the extent to which any party or its professional advisors participated in the preparation of this document. Notwithstanding the foregoing, in the event that there is a conflict between this Agreement and Virginia law, including, but not limited to, the Virginia Freedom of Information Act and the Virginia Public Procurement Act, Virginia law shall govern.

40. Authorization. Each of the parties hereto represents and warrants on behalf of itself that it has full power and authority to enter into this Agreement; that the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate, limited liability company or partnership or other appropriate authorizing actions; that the execution, delivery and performance of this Agreement will not

contravene any applicable by-law, corporate charter, operating agreement, partnership or joint venture agreement, law, regulation, order or judgment; that execution, delivery and performance of this Agreement will not contravene any provision or constitute a default under any other agreement, license or contract which such party is bound; and, that this Agreement is valid and enforceable in accordance with its terms.

41. Counterparts. This Agreement may be executed and delivered in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

42. Facsimile and Electronic Signatures. Merchant and Processor agree that electronic signatures will have the same legal effect as original (i.e. ink) signatures and that an electronic, scanned, facsimile, or duplicate copy of any signatures will be deemed an original may be used as evidence of execution.

43. Member Bank. The Processor and Member Bank may jointly or individually assert or exercise any rights or remedies provided to Processor and Member Bank hereunder. Processor and Member Bank reserve the right to allocate the duties and obligations assigned hereunder to Processor between themselves, as they deem appropriate in their sole discretion. Member Bank has certain obligations to Merchant pursuant to the Operating Regulations. In the event of any conflict between this Agreement and the Operating Regulations on the subject of Member Bank's obligations, the Operating Regulations shall control. Processor is party to an agreement with Member Bank and under such agreement is authorized to provide the services described herein. This Agreement shall be deemed accepted by Member Bank as of the date the first transaction is acquired under this Agreement. As of the commencement of this Agreement, Member Bank shall be Fifth Third Bank, an Ohio banking corporation, located in Cincinnati, OH. The Member Bank may delegate certain or all of its duties to an affiliate of the Member Bank at any time, without notice to Merchant. The Member Bank may be changed, and its rights and obligations assigned to another party by Processor at any time without notice to Merchant.

44. General County Terms. In this Section 44, Merchant shall be referred to as "County" and Processor shall be referred to as "Contractor".

A. Anti-Discrimination Against Faith-Based Organizations Statement by County:

The County does not discriminate against faith-based organizations. Contractor certifies to the County that it will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act (VPPA)*. If Contractor is a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).

B. Anti-Discrimination Statement by Contractor

In every contract over \$10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the Contractor agrees as follows:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to

discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

- b. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

- 2. The Contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or Contractor.

C. Immigration Reform and Control Act of 1986:

Contractor certifies that it does not and will not during the performance of this contract knowingly employ unauthorized alien workers or otherwise violate the provisions of the Federal Immigration Reform and Control Act of 1986.

D. Drug-Free Workplace:

During the performance of this contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or Contractor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

E. Authorization to Transact Business in the Commonwealth:

In order to contract with Dinwiddie County, contractors organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Code of Virginia, Title 13.1 or Title 50 or as otherwise required by law. Pursuant to competitive sealed bidding or competitive negotiation, a bidder or offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 shall include in its bid or proposal the identification number issued to it by the State Corporation Commission. Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law shall include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized. Any bidder or offeror that fails to provide the required information shall not be awarded a contract unless a waiver of this requirement is granted by the County Administrator. Any business entity as described above that enters into a contract with a public body pursuant to the

Virginia Public Procurement Act shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth to be revoked or cancelled at anytime during the contract. Dinwiddie County may void any contract with a business entity if that entity fails to remain in compliance with the provisions of this section.

F. Availability of Funds

It is understood and agreed between the parties herein that the County shall be bound hereunder only to the extent of the funds available, or which may hereafter become available for the purpose of this agreement, and the agreement will be contingent upon annual appropriations by the Board of Supervisors of Dinwiddie County. Failure of the Board of Supervisors to appropriate adequate funds for the terms of this Contract shall result in the immediate cancellation of this Contract. There shall be no penalty should the Board fail to make annual appropriations for this contract.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their authorized officers as of the dates set forth below.
