MEMORANDUM

TO: Board of Supervisors

FROM: Anne Howerton, Deputy County Administrator

DATE: May 5, 2020

SUBJECT: Adoption of FY 2021 County Budget

Background

Per Code of Virginia section 15.2-2503, a locality's governing body shall approve the budget and fix a tax rate for the budget year no later than the date on which the fiscal year begins. The calendar year 2020 tax rates were set by the Board of Supervisors on March 31, 2020, and the FY 2021 budget is being presented for Board approval today.

County administration worked for several months with staff, Constitutional Officers, outside agencies and the Board of Supervisors to develop the FY 2021 County budget. However, once the COVID19 Health Crisis created potential revenue shortfalls for FY 2020 and FY 2021, that proposed FY 2021 budget was revised to keep expenditures to a minimum level while still providing the essential services for public health, safety and welfare expected by the citizens.

Previous Board Actions

Tax rate and budget work sessions were held from January through March, and a public hearing for the FY 2021 budget was held on April 21, 2020.
