MEMORANDUM

TO: Board of Supervisors
FROM: Sheriff D. T. Adams
DATE: July 21, 2020
SUBJECT: Contract Award – Sheriff's Office Vehicles

BACKGROUND

The Sheriff's Office has requested the use of CARES funds for the purchase of two Ford Police Interceptor Utility vehicles. The new vehicles would replace a 2010 and a 2011 Dodge Charger, each with nearly 200,000 miles, which are currently assigned to the part-time deputies and also used as spare vehicles for other deputies. Having more reliable patrol vehicles for these part-time deputies would allow them to more readily respond to calls for service, to work from their own mobile offices, and to leave the older cars as spares for other deputies; thus creating a safer environment for the deputies.

CONTRACT NEGOTIATIONS

We utilized a cooperative procurement contract with the Virginia Sheriff's Association to source these vehicles.

PRIOR BOARD ACTION

Due to FY 21 COVID 19 related budget reductions, there were no Sheriff's Office vehicles included in the FY 21 Capital Improvements Plan approved by the Board of Supervisors on May 5, 2020.

RECOMMENDATION

We are asking for approval of the following resolution.

BE IT RESOLVED that the Board of Supervisors of Dinwiddie County, Virginia, does hereby authorize and direct the County Administrator to execute the attached contract for two Ford Utility Police Interceptors with Sheehy Ford of Richmond VA with any changes, substantive or otherwise as may be approved by the County Administrator.
