MEMORANDUM

TO: Board of Supervisors

FROM: Dawn Titmus, EMS Manager

DATE: July 21, 2020

SUBJECT: Contract Amendment, Zoll AutoPulse Protection Plan

Background

In 2018, the County received a donation of six Zoll AutoPulse Defibrillators from Fort Lee. In order to keep the units properly maintained and in working condition, the County would like to purchase a 3-year protection plan for each unit. The current protection plan contract on the other units is \$25,200. Adding these donated units would increase the contract by \$25,200 for a total cost of \$50,400 over three years. The manufacturer, Zoll Medical Corporation, is the sole source provider for this service.

Prior Board Actions

An increase of \$8,000 in contract maintenance services was approved in the FY 2021 budget on May 5, 2020 to cover the additional cost for servicing the donated defibrillators.

Recommendation

We recommend approval of the following resolution.

BE IT RESOLVED, that the Board of Supervisors of Dinwiddie County, Virginia does hereby authorize and direct the County Administrator to execute the attached contract amendment with Zoll Medical Corporation for six additional AutoPulse Protection Plans.
