DENICE CROWDER
Communications Director

AMANDA ARCHER
Program Support Specialist

To: Board of Supervisors

From: Denice Crowder, Communications Manager

Date: January 18, 2022

Subject: Contract Award, Radio Communication System Maintenance

Background

Motorola currently provides radio communication and equipment for Dinwiddie Fire & EMS, Sheriff's Office and the School System. Motorola provides annual maintenance on the system and equipment as a sole source provider. The price per year varies based on new equipment purchases, increases in size and scope of the radio system and expiration of warranties. For the period of February 1, 2022 through January 31, 2023, there will be a 5% increase in maintenance cost from the previous year. Maintenance on the existing radio system is needed until the new system is completed later in 2022.

Actions

The County requested a quote from Motorola for maintenance on the existing system and requested that monthly payments be made until the new system goes live, rather than making one annual payment up front.

Recommendation

We recommend approval of the following resolution.

BE IT RESOLVED, that the Board of Supervisors of Dinwiddie County, Virginia does hereby authorize and direct the County Administrator to execute the attached contract with Motorola for radio communication system maintenance in the amount of \$159,219.82.
