

Dinwiddie County General Services

10817 Wheelers Pond Road

Dinwiddie, Virginia 23841

Phone: 804-469-4545

MEMORANDUM

TO: Board of Supervisors

FROM: Timmy Cliborne, Director of General Services

DATE: March 17, 2026

SUBJECT: Contract Award, Used Vehicle Lot

Background

General Services is in the process of assessing the County's fleet for mechanical function and fit for purpose. Vehicles that no longer mechanically or functionally meet the County's needs have been or will be surplussed. As a result, there is a need to replace several general use and maintenance vehicles.

Actions

The County recently found an available lot of 7 used vehicles being liquidated by Iluka Resources. County staff took the opportunity to inspect the vehicles and found them to be in good working order. Based on vehicle condition and blue book value, the County offered to purchase the lot of vehicles from Iluka Resources for \$88,800. The lot includes five used Ford four-door pickup trucks and two SUVs. One of the maintenance truck has a welder with leads, air compressor, torch setup and work body bed - this type of setup is badly needed for maintenance needs around the County. The SUV's would serve as general use vehicles for County staff. On March 6, 2026, Iluka Resources accepted the County's offer. Funds for this purchase are available in the Buildings & Grounds general fund budget.

Recommendation

We recommend approval of the following resolution.

BE IT RESOLVED, that the Board of Supervisors of Dinwiddie County, Virginia does hereby authorize and direct the County Administrator to execute a contract with Ilkua Resources for a lot of seven used vehicles for \$88,800.00 with any changes, substantive or otherwise, as may be approved by the County Administrator.
