

# Drive-thru Drop Box for Tax Payments

The Treasurer's Office has moved to the new Government Center, located at 14010 Boydton Plank Road. The Office can be accessed through the Boydton Plank entrance *or* through the main entrance on the Courthouse side of the building; where citizens may take the elevator to the second floor.

“The Treasurer's Office is offering a new payment option in addition to the other options already available. There is a new drive-through drop box located at the Government Center” stated Treasurer Jennifer Perkins. “The drop box is located on the Courthouse side of the Government Center in the parking loop, and is available 24 hours/day, 7 days/week.

***DO NOT place cash in the drop box.”***
