## General Reassessment Firm to Begin Work

Dinwiddie County, VA – The Dinwiddie County Board of Supervisors has hired the firm of Wampler – Eanes Appraisal Group, Ltd. to conduct the reassessment of real property in Dinwiddie County. This firm was established in 1996 and is located in Daleville, Virginia. The firm will begin work in the county starting October 3, 2011 to develop an initial sales study. They will begin conducting visits to individual properties the first week of December, 2011 and will continue throughout the year and into 2012.

The purpose of the reassessment is to reflect the current market value, as required by State law, and to obtain uniformity, assuring that properties of similar type and value carry similar assessments.

Steven Wampler, President, stated “Our firm of over 30 employees is composed of highly qualified and diversely experienced appraisers and field technicians. We are excited about the opportunity to work with Dinwiddie County on its Reassessment Project.”

Wampler-Eanes Appraisal Group, Ltd. has extensive experience in reassessment and appraisal of all levels of single and multi-family residential parcels. These include vacant and improved parcels, agricultural and waterfront. Moreover, the appraisal group also has extensive knowledge and work experience with commercial and industrial land properties.

The last reassessment in Dinwiddie County was effective January 1, 2009. The reassessment currently being conducted will become effective January 1, 2013. Information will be distributed as appropriate to provide updates on the process.
