MEMORANDUM

TO: Board of Supervisors

FROM: Anne Howerton, Deputy County Administrator

DATE: March 16, 2021

SUBJECT: Employee Health Insurance Plan for FY 2022

Background

Our health insurance intermediary, The Local Choice, has provided employee health insurance plan premiums for FY 2022, and is asking that we renew our contract with them by April 1, 2021. Our recent claims experience has been less favorable than last year's, and the premiums have increased by 7.5% from FY 2021 premiums. This rate increase translates to additional employer contributions of approximately \$126,000 for the 171 currently enrolled employees.

Actions

We propose to continue to offer the Key Advantage 1000 PPO and the High Deductible Health Plans, and both plans also offer a choice of comprehensive dental or preventive dental. A cost comparison is attached which shows the change in employee and employer contributions by plan. We are required by Local Choice to fund at least 80% of the Employee Only plan, and we are also proposing to maintain the current employer/employee ratios for Employee/Dependent and Employee/Family plans.

Recommendation

We recommend approval of the following resolution.

BE IT RESOLVED, that the Board of Supervisors of Dinwiddie County, Virginia does hereby authorized and direct Kevin Massengill, County Administrator, to execute the necessary documents with The Local Choice to provide the employee health insurance policy for FY 2022 at the attached rates and ratios.
