### **MEMORANDUM**

TO: Board of Supervisors  
FROM: Dawn Titmus, EMS Manager  
DATE: August 17, 2021  
SUBJECT: Service Plans for ZOLL Equipment

---

#### **Background**

The County has various ZOLL brand equipment including AutoPulses, AEDs, X-Series and portable ventilators used by Fire & EMS. In order to keep these units properly maintained and in working condition, the County has preventive maintenance, extended warranties and service plans for all units. These plans have previously been done annually but the County wishes to enter a multi-year contract for these services. The manufacturer, ZOLL Medical Corporation, is the sole source provider for these services.

#### **Actions**

The County requested price quotes from ZOLL Medical Corporation for two-year service plans in order to catch up all units to the same schedule. The total cost for all equipment for the two-year term is \$78,507.38. The service plans will be paid for out of operating funds each year.

#### **Recommendation**

We recommend approval of the following resolution.

**BE IT RESOLVED**, that the Board of Supervisors of Dinwiddie County, Virginia does hereby authorize and direct the County Administrator to execute the attached contract with Zoll Medical Corporation for Service Plans on ZOLL equipment with any changes, substantive or otherwise, as may be approved by the County Administrator and Legal Counsel.
