The Agreement is made this _____ day of _____ 2021, by and between **PGEC Enterprise, LLC dba "RURALBAND"**, of 7103 General Mahone Hwy, Waverly, VA 23890 (hereinafter known as "Company"), the **Dinwiddie County Broadband Authority** (hereinafter known as the "Authority"), and the **County of Dinwiddie, Virginia** (hereinafter known as the "County").

WHEREAS, pursuant to the Virginia Public Procurement Act, the County and the Authority issued RFP-22-072921 on July 29, 2021, to solicit proposals from companies to:

- 1) Work with the County and the Authority to prepare and submit the 2022 Virginia Telecommunication Initiative (VATI) Grant application to the Department of Housing and Community Development; and
- 2) If the Grant is awarded, design, implement, operate and maintain a fiber broadband network to provide universal internet coverage to Dinwiddie County;

WHEREAS, Company submitted a proposal for same, consistent with the specifications in the Request for Proposals; and

NOW THEREFORE, in consideration of the mutual benefits, promises, and undertakings, the sufficiency and receipt of which are acknowledged, the following terms and conditions are agreed to by the parties to this Contract:

1. **Incorporation by Reference.** The following are made a part hereof as if the same were fully set forth herein, and if any discrepancies arise between the documents, they will prevail in the following order: (1) this Contract, (2) Request for Proposals # 22-072921 including any addenda and (3) Company's proposal dated August 16, 2021 (together, the documents listed above in this paragraph 1 and any future contract documents shall be referred to as the "Contract Documents"). Upon mutual consent, parties may partner to apply for other grants. Terms and conditions, including consideration, for such additional services would be negotiated at such time as the parties agree to proceed to such project implementation services.

3. **Time of Performance.** Company agrees to begin Phase I upon execution of this contract and to complete all work required for the grant application by September 10 and to otherwise timely cooperate in the grant application process. The County and the Authority agree to finalize and submit the grant application. No other consideration is owed for Phase I.
