MEMORANDUM

TO: Board of Supervisors
W. Kevin Massengill, County Administrator

FROM: Mark Bassett, Planning Director

DATE: March 10, 2022

SUBJECT: Rezoning Request, P-22-3

Please find the attached Planning Commission meeting summary report for rezoning request P-22-3. The applicants, Donald and Laura Lamm, are requesting to rezone property containing approximately 10.63 +/- acres from Residential, Limited, R-1 to Agricultural, General, A-2. The A-2 zoning district allows single-family residential development at the Zoning Ordinance defined maximum density on a minimum of three-acre parcel with 400 feet of road frontage on a public road (VDOT Route). The property is located at 9705 Squirrel Level Road North Dinwiddie, Virginia and is further defined as Tax Map Parcel No. 35-34B. As indicated in the Dinwiddie County Comprehensive Land Use Plan, the subject property is located within the Planned Growth Area, which allows for low-density residential and agricultural uses for this general area.

After hearing the request for the rezoning, the Planning Commission voted 7-0 to recommend approval of the rezoning to the Board of Supervisors.
