### **MEMORANDUM**

TO: Board of Supervisors  
FROM: Anne Howerton, Deputy County Administrator  
DATE: June 21, 2022  
SUBJECT: Surplus of County Personal Property

---

#### **Background**

Recently a 2022 Chevrolet Silverado 3500 Crew Cab truck with a 6.5' bed was purchased to replace Brush 2 for Ford Volunteer Fire Department as part of the FY 22 approved CIP. At the time, finding a truck with an 8' bed was extremely difficult, and we thought we could utilize the existing slide-out unit from the current brush truck in the new chassis. However, it was determined during the outfitting of the truck for service that the 6.5' bed would not work without a great deal of modification. We would like to trade in the current vehicle for one that better suits our needs and allows us to use existing equipment with no costly modifications. The Ford dealership was contacted, and they are able to swap our current truck for a similar truck with an 8' bed at no additional cost to the County.

The attached list of Public Works vehicles have become mechanically unsound and are now unusable to the department.

#### **Recommendation**

We recommend approval of the following resolution.

#### **Resolution**

WHEREAS, the personal property on the attached listing ("Surplus Property") has become obsolete and/or unusable by Dinwiddie County ("County"); and

WHEREAS, in accordance with Section 15.2-951 of the Code of Virginia, as amended, localities may dispose of personal property, and in accordance with Section 15.2-1236 of the Code of Virginia, as amended, all sales of personal property which has become obsolete and unusable shall be based wherever feasible on competitive bids; and

WHEREAS, the Board of Supervisors is of the opinion that it is in the best interests of the County to dispose of the Surplus Property through public auction on an on-line government auction website; through trade-in; and/or through highest bid on sale of scrap metal; and
