TRAFFIC STUDIES/SPECIAL REQUESTS

- Dinwiddie High School Superintendent requested Crosswalk Placement Review for Route 661 (Boisseau Rd.). Pavement markings have been contacted and it was determined the pavement markings cannot be removed due to the potential for roadway damage. Drafts received 10/27/22 and information sent to the County. County requested modifications to the recommendations wanting the new installation but leave existing crosswalk. Sent back to TE for approval, pending supervisory review as of 1/10/23.
- Richard Bland College requested Crosswalk Placement Review and Speed Study request for Route 608/677 (Johnson Rd/Carson Rd.). Met with RBC staff and TE, TE advised second draft complete, final draft pending supervisor review with TE as of 1/10/23.
- Speed and safety review requested for Route 708 (Namozine Road). Residency staff completed field review, forwarded to traffic engineering for safety study consideration. Speed study rejected 9/19/22, 10/18/22 speed study again declined, safety study performed by traffic engineering and pending supervisor review as of 1/10/23.
- Courthouse Road @ Bolsters Road – submitted to traffic engineering for review following residency review. Requesting roadway markings and/or signage to clarify right of way within the intersection draft received 10/3/22. Secondary review complete, RA approval sent back to TE 10/11/22, updated sketch received 12/5/22 for RA approval. AHQ maintenance work completed 12/8/22, sent to signage and paint 12/7/22. All work completed 1/4/23. TE site visit planned 1/11/23 following citizen inquiries.
- Duncan Road near Route 1; several citizen complaints to VDOT and Dinwiddie County regarding yard sales being held on the right-of-way. No further complaints have been received and an unknown person has posted “NO TRESPASSING” signs on the tree and in the area. This was discussed at the Dinwiddie Transportation Safety Commission Meeting and is being held open for the County and RA to consider further measures if needed.
- White Oak Road at Route 1 – citizen has requested a safety review due to three crashes nearby since 2006; field review completed 1-9-23, report to be submitted no later than 1-11-23.
