#### **Background**

Per Virginia Code Section 15.2-1414.2, the annual maximum compensation to be allowed each member of the board of supervisors of a county shall be determined by a recorded vote of a majority present prior to July 1 of each year to become effective as of January 1 of the year following the next regularly scheduled elections. No increase in the salary of a member of the board of supervisors shall take effect during the incumbent supervisor's term of office. Since all of the board of supervisors' seats will be up for election in November 2023, the following salaries are being proposed to take effect January 1, 2024:

These new salaries represent the cumulative COLA percentages received by County employees each fiscal year since the board's salary was last increased in January 2020.

We recommend approval of the following resolution.

#### **Resolution**

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of Dinwiddie County, Virginia, that the salaries as listed above be approved for the incumbent supervisors for the calendar year 2024.
