Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

2025 County Levy Percentage Change from 2023 Levy			73.81

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. According to VA State Code 58.1-3330, the assessment change notice must include the new assessed values, as well as the immediately preceding two assessed values. It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

2025 County Levy Percentage Change from 2023 Levy			53.72

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. ****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The values displayed for 2023 and 2024 in the chart below are those values assigned effective January 1, 2023 & January 1, 2024 respectively. The values shown do not reflect any subsequent corrections, abatements or supplementals to those values that may have occurred after January 1, 2023 and January 1, 2024. According to VA State Code 58.1-3330, the assessment change notice must include the new assessed values, as well as the immediately preceding two assessed values. It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

According to VA State Code 58.1-3330, the assessment change notice must include the new assessed values, as well as the immediately preceding two assessed values. It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

According to VA State Code 58.1-3330, the assessment change notice must include the new assessed values, as well as the immediately preceding two assessed values. It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

According to VA State Code 58.1-3330, the assessment change notice must include the new assessed values, as well as the immediately preceding two assessed values. It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The values displayed for 2023 and 2024 in the chart below are those values assigned effective January 1, 2023 & January 1, 2024 respectively. According to VA State Code 58.1-3330, the assessment change notice must include the new assessed values, as well as the immediately preceding two assessed values. It also requires that the notice lists the tax rates, total tax levies and percent changes for the immediately preceding two tax years.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County’s tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an “assessment to sales ratio”. Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

***Please note the tax rate for the 2025 reassessed value has not been set by the Board of Supervisors or McKenney Town Council (for Town of McKenney residents).** VA State Code 58.1-3330 requires that for this notice we calculate the tax levy using the tax rates for the previous year (\$0.84 per \$100.00 of assessed value for the County and \$0.12 per \$100.00 of assessed value for the Town) if the tax rates have not yet been set.

****Note:** The levies shown above for 2024 and 2023 **may not** be the levies that were actually billed on your property. The levies shown above are calculated based on your property being fully taxable for all twelve months of the year. If the property was nontaxable during any year or any portion of a year the levies shown above **do not** reflect this. If the property was in any reduced tax program the levies shown above **do not** reflect this.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

FURTHER APPEALS of the REASSESSMENT through the BOARD of EQUALIZATION

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. Dates for these hearings will be advertised in the Richmond Times Dispatch and on the County website. The BOE will be scheduling hearings sometime in the Spring of 2025. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. In any appeal to the BOE of an assessment of residential property, Section 58.1-3331 of the Code of Virginia requires that owners with less than four residential units be given a 45 day notice prior to their hearing date. These owners will have the option to request a hearing date earlier than 45 days from the date the appeal is made by signing a waiver agreeing to waive the required 45 day notice in advance of their hearing date.

REAL ESTATE TAXES

The tax rates which apply to this assessment are set annually by the Board of Supervisors and McKenney Town Council (for Town of McKenney residents). The Board of Supervisors will hold a public hearing on the tax rate in March or April of 2025, which will be held in the Board Meeting Room of the Dinwiddie County Government Center at 14010 Boydton Plank Road, Dinwiddie, VA 23841. The public hearing date to set the County's tax rate will be established at the annual organizational meeting of the Dinwiddie County Board of Supervisors on January 7, 2025 (weather permitting) and advertised on the Dinwiddie County website at www.dinwiddieva.us and in the Richmond Times Dispatch. Town Council will hold a public hearing on its tax rate in the Spring of 2025 at the Ragsdale Community Center, 20916 Old School Road, McKenney, VA 23872. The Town tax rate hearing will be set at the annual Town Council organizational meeting on January 9, 2025 (weather permitting) and it is anticipated that it will be advertised in a local newspaper.

HOW ASSESSMENTS are DETERMINED

Wampler-Eanes Appraisal Group, Ltd. has the responsibility for reviewing real estate transactions and other factors using the data to assess each parcel of real estate accordingly. There are many reasons for a change in real estate value. Sales information is gathered from buyers, sellers and real estate professionals. Selling prices are then compared to the assessed values to arrive at an "assessment to sales ratio". Comparable sales information is used as a basis for the assessment of individual properties after the sales are carefully analyzed.

Dinwiddie County is establishing a Board of Equalization (BOE) to review any appeals that are not resolved by appealing to the Reassessment Office. The deadline for filing an appeal with Board of Equalization is February 18, 2025. The deadline for the Board of Equalization to conclude their review of appeals is May 30, 2025. NOTICE OF 2025 REAL ESTATE ASSESSMENT CHANGE

GENERAL INFORMATION

Every effort has been made to assess your property on a fair and equitable basis. However, if you feel the assessment value shown does not represent the present market value of your property, or the assessed value is not uniform (IN-LINE) with similar properties in your area, you may make an appointment to discuss your assessment. Values may be raised, lowered or remain the same during these hearings, in order to maintain equalization. By state law, all real property (the land and the improvements thereon) must be assessed at 100% fair market value (Virginia Code 58.1-3201). The last general reassessment of Dinwiddie County was completed in 2018, effective January 1, 2019. The "Total 2025 Reassessed Value" in the chart above reflects the present market value of your property.

RIGHT to VIEW & COPY RECORDS

Property owners have the right to view and make copies of assessment records maintained by Wampler-Eanes Appraisal Group, Ltd. used in arriving at the assessed values of the land and any improvements thereon, except those records containing information made confidential by VA State Code 58.1-3 & 58.1-3294. The records available and procedure for accessing these records are set out in VA State Code 58.1-3331 & 58.1-3332.
