## PUBLIC SERVICE ANNOUNCEMENT

### Dinwiddie County

April 1, 2020

On Monday, March 30, 2020, Governor Northam issued [Executive Order 55](#). This Order advises all Virginians to stay-at-home in an effort to slow the spread of COVID-19, and outlines exceptions for leaving the home.

It is important to note the following:

- The Order does not close Virginia roads/interstates to Virginia Residents.
- The Order does not require an individual to carry documentation related to one's purpose of travel in Virginia.
- The Order does not restrict non-Virginia residents from traveling into, through and/or out of Virginia.
- The Order does not prevent Virginians from traveling out of the state.

Dinwiddie County appreciates the effort and sacrifices being made to protect the safety and health of our community.
