PUBLIC SERVICE ANNOUNCEMENT

June 11, 2020

County Facilities will Re-open to the Public

Dinwiddie County is pleased to announce that beginning Monday, June 15, 2020, County government offices will reopen to the public.

While it has been our pleasure to offer uninterrupted service during the COVID-19 pandemic, we look forward to the opportunity to, once again, serve our citizens face-to-face.

During the Commonwealth's Phase 2 of reopening, we ask that citizens continue to be vigilant about protecting the health and safety of themselves and others.

Signage has been placed throughout County buildings encouraging patrons to "Do the Five". These five actions include:

1. Stay home if you are sick;
2. Wear a mask or face covering inside public buildings;
3. Sneeze or cough into your elbow;
4. Remain six-feet from others at all times; and
5. Wash hands frequently with soap and water.

County staff will continue to be available online or by phone for those who are not comfortable conducting businesses in person. We encourage patrons to limit their visits to only those people needed to transact business.

Please note: At this time, County fire stations remain CLOSED to the public. Due to renovations, the Historic Courthouse will also remain CLOSED; however the grounds are available for rental purposes.

We appreciate the continued patience and cooperation of Dinwiddie County citizens.

Together we are #DinwiddieStrong!
